

**PARISH OF ST JUDE'S PLYMOUTH  
CHURCH OF ENGLAND  
BANS OF MARRIAGE APPLICATION**

**Form for completion by a British or European National couple who wish to marry in another parish but where one of the couple live within St Jude's ecclesiastical Parish Boundaries.**

*Since the 2nd March 2015 the Church of England's Faculty Office now requires both parties to provide evidence of their nationality for Banns in addition to showing them to the minister who will preside at their wedding. Usually this will be a passport or for some European citizens a national identity card and something else proving your place of residence - a current utility bill or bank statement etc. If the bride and groom cannot both produce evidence that they are both British/European nationals, the couple will need to apply for Superintendent Registrar's Certificates to be married instead of by Banns.*

When completed please arrange to bring this form with your ID as above and a cheque made out to T. Smith for the correct fee to:

Revd T Smith. St Jude's Vicarage, Knighton Road, Plymouth PL4 9BU.  
Plymouth (01752) 224178 – tim.smith@judes.org.uk

Banns will be called on three consecutive Sundays within no more than three months of your wedding date. A certificate will then be issued to you confirming they were called without objection. You will need to give that certificate to your officiating minister.
